## Experience

### Visiting Designer Series

*Graphic Designer, January 2016–Present*

Currently developing a brand and templates for posters, flyers, social media, and website banners. I'm primarily working independently while receiving weekly feedback from professors.

### DePaul University Enrollment Management and Marketing

*Graphic Design Intern, Sept 2015–Present*

Work with a team of designers and project managers to create and update designs for colleges across DePaul. I have created identities for campaigns and institutes, designed animated web and email assets, and a variety of other print pieces.

### Thursday Nights at the Lounge

*Graphic Designer and Illustrator, May 2015–Present*

Design and illustrate a poster each week to promote performers at the DePaul Student Center. I stylistically unified posters and flyers through an updated brand and illustration style.

### Springboard Theater Company

*Graphic Designer and Illustrator/Board Member, Sept 2014–Present*

Design and illustrate posters, advertisements, playbills, and tickets to promote performances at DePaul and the surrounding community.

### Food for Freedom & Celebration of Service

*Graphic Design Team Leader, Sept 2014–June 2016*

Designed and produced various promotional, outreach, informational, and concept art pieces for this service event with a mission to fight food insecurity.
